What You Will Learn:

Authentic Leadership

- Keys to being an authentic leader and a catalyst for continuous improvement
- The relationship between behaviour, culture and performance
- The importance of establishing a psychologically safe and healthy workplace as a means to support positive and sustainable behavioural changes

Adapting to the Future of Digital Health

- How we can embrace the power of digital solutions for health improvement while finding the right balance between a high-tech and a high-touch approach
- Why data will be the greatest asset of the 21st century and how we can harness it to drive personalization, engagement, and positive health outcomes
- Keys to preparing yourself and your organization for the challenges of digital health adoption

The Role of Technology in Workplace Wellness Programs

- Best practices
- Deep dive into digital tools and methods to engage employees
- Offering solutions that meet the needs of a multi-generational workforce

Making Sense of Mindfulness

- Discover the meaning of mindfulness and the benefits to work-life integration
- Learn how to cultivate a deeper practice of mindfulness on a daily basis
- Tools, exercises and strategies to reduce stress, improve clarity, build resiliency and foster mental well-being

Added Bonus – 2018 GoodLife Fitness Health & Wellness Award Highlights

- Gain firsthand knowledge about organizations that demonstrate continuous improvements in areas related to fitness, activity, nutrition, education and employee behavioral changes
- Learn how to submit your organization for Awards consideration
