What You Will Learn:

Leadership & Innovation

- The importance of culture in driving key business and performance outcomes
- Keys to creating an outcome-oriented culture
- The role of innovation in today's competitive and fast changing environment

Caregiving, Dementia and the Role of Employers and Employees

- Define dementia and recognize early warning signs
- The impact of caregiving on employees' mental well-being and workplace productivity
- The role of modifiable lifestyle factors in helping to reduce individual risk of dementia
- Adopt strategies for effective caregiving and review best practices for providing peer support and accessing community resources

The Future of Work: Is Your Workplace Ready for Virtual Healthcare?

- How organizations can embrace the power of virtual solutions to support a changing workforce
- Understand how technology is supporting the evolution of access to quality healthcare for employees
- Keys to preparing yourself and your organization for the benefits of virtual healthcare adoption

Resiliency & Team Effectiveness

- Being a resilient leader includes self-love and a desire to make a difference
- Caring, compassion and communication (The 3 C's) – keys to transforming workplace culture and empowering people to new heights
- Breakthrough limitations by embracing risk and living with courage

Added Bonus – 2019 GoodLife Fitness Health & Wellness Award Highlights

- Gain firsthand knowledge from organizations that demonstrate continuous improvements in areas related to fitness, activity, nutrition, education and employee behavioral changes
- Integrate current practices leading to a healthier and more productive workforce
- Learn how to submit your organization for Awards consideration
